Urn Trust Program This program is an excellent way to remember a loved one perpetually. A flower urn is placed on the grave and planted by the Cemetery annually with seasonal flowers which are fertilized and watered throughout the growing season. If the urn is ever damaged or wears out it is replaced with a new one. The one time fee for this service is \$1000.00 which can be paid over a two year period. At the end of the payment period the urn will be placed on the gravesite.

The repair of burial sites and straightening of monuments including the pouring of new foundations is also handled by the Cemetery. If you have a request of this nature we will give you an estimate of the work for your consideration.

Comparison Pricing We encourage you to print this price listing and take it with you when comparing costs at other cemeteries. Be sure to inquire carefully about what is included in the cost and what may be additional hidden charges for those services we include in our complete price. These fees can be prepaid over a two year period which locks in the price from future increases.

These costs are complete other than applicable tax. There are no hidden or additional charges and all include the use of the Glidden Memorial Chapel for Funeral or Committal services. All burials or inurnments also include graveside setup of tent and chairs and lowering device if applicable. One full burial and one cremation burial or two cremation burials are allowed in a single burial space. In the case of Green burials two burials are allowed in the same space. In addition we allow burials on Saturdays and Sundays and in the evenings during the summer months at no extra charge. We also provide same day direct burial if our excavator is available to open the grave. Although this is not always possible we will do our best to accommodate the request. Remember also that Mt. Pleasant is Sioux Falls' leader in Green Burials and is currently Sioux Falls' only Cemetery to allow interment using a burial shroud only. We are also Sioux Falls' ONLY Cemetery certified as a provider by the Green Burial Council. Certification means a commitment to the principals of Green burial and not just the use of the phrase for profit's sake. A brochure about the Green Burial option (including all prices) can be viewed or downloaded from this site or information can be obtained by calling Terry our Family Service Coordinator at 339-4760 or by his cell phone at 351-2004.
